a fantastically readable guide to chinese medicine this illustrated textbook covers the

basic foundations and principles of acupuncture and tcm nigel ching covers everything from the theories of yin and yang to point functions and needling techniques

new title by the author of cosmetic acupuncture energetics is an area of growing interest and importance in acupuncture acupuncture treatment aims to correct the imbalance of energy or qi energetics is a method of diagnosing which aspects of qi are out of balance energetics in acupuncture provides a straightforward diagnostic method of identifying which aspects of the qi are out of balance and therefore what acupuncture treatment is required one symptom can be caused by many different imbalances of organs and it is essential for the therapist to correctly diagnose the problem before commencing treatment once the correct diagnosis is made the relevant points can be treated with appropriate techniques the book takes a logical approach to diagnosis and provides relevant lines of questioning and reasoning features treatments are described for over 80 different diseases innovative visual towers show clearly what an energy imbalance looks like case studies illustrate imbalanced states

blood stasis china s classical concept in modern medicine covers the area of blood stasis in traditional chinese medicine drawing from a huge range of original chinese material the book discusses many western diseases including diabetes gynecological disorders stroke tumors myocardial infarction and the interaction of these with other pathological factors the book also provides both classical and modern differentiations and treatments including both herbs and acupuncture in all categories with appropriate case histories thoroughly examines the concepts and processes of blood stasis in traditional chinese medicine draws on original translations from chinese sources ranging from the classical era through modern times describes in full the historical perspective of chinese medicine s presentation of blood stasis theory and also includes modern research for a balanced view of the effectiveness of blood stasis highlights recent detailed analysis of blood stasis and herbs incorporates real life cases helped by blood stasis therapy

this book on cosmic energy health and medicine explains about the natural energy around us in everyday life and how we can maximize its use for our health how our health is connected with the body and mind and explains how disease is due to the disagreement between them the book explains about allergies and compares it with an enemy one cannot solve a problem avoiding the enemy same way allergy is the one you need to resolve and not avoid the medicines used over centuries by our forefathers are proven and can be relied upon just as the reliable age old foods we consume to this day medicines under modern allopathic system never last even for a decade chemicals herbs

and minerals are not medicines a medicine should act as an energized bullet or a piercing arrow instead of staying behind in our body and creating a host of side effects and other complications a medicine is supposed to cure the disease of the person and not create a disease basket piling on more diseases only the energized medicines which are slow but steady can clear our disease in natures speed and not the fast acting palliative medicines
